LANDMARK DESIGN STUDIO
HOUSTON, TX

A WORKSPACE FOR ALL PROFESSIONALS.

LANDMARK DESIGN STUDIOS

A PLACE TO EXPLORE ENDLESS SOLUTIONS.

Landmark Design Studio offers you **an inspiring workspace** where **customers and professionals** can view and touch the full range of products made by Landmark, as well as **work together with our local team** on the selection of colors, finishes, decors and trim pieces for any project, whether indoor or outdoor.

SERVICES FOR PROFESSIONALS

PARTNER WITH OUR EXPERTS.

Collaborate with us to **bring your vision to life**. Our local staff takes pride in guiding you through every stage of your project, ensuring a seamless experience **from initial selection to final installation** of any porcelain product. With **expert knowledge** and a deep understanding of our product range, they assist in choosing the perfect products that align with your aesthetic preferences and functional requirements.

TRAINING PROGRAMS

MASTER THE WORLD OF PORCELAIN.

Stay ahead of the curve and **elevate your expertise**. Invest in your professional development with our **comprehensive training programs**.

01.

TRAINING SESSION ABOUT LANDMARK'S PRODUCTS.

Collaborate with our local team in our workspace. Select the perfect products with **expert guidance** and explore the limitless possibilities of all Landmark's products.

02.

CONTINUING EDUCATION MADE EASY.

Architects, interior designers, and landscapers can **earn valuable continuing education credits** through our rich program of CEUs.

03.

ELEVATE YOUR EXPERTISE.

Learn from our partners and industry experts about the **latest trends, installation and cutting techniques**, and proper **maintenance practices** for all our porcelain products.
