 **LANDMARK**
CERAMICS

"Natural" is a gathering of porcelain tile collections that are inspired by different natural stones. Amazing surfaces for floors and walls that recall the shades of the natural material enhancing architecture and design with character and intense elegance. The excellent technical characteristics of Landmark porcelain tile guarantees optimal performance in every intended use both residential and commercial.

A new landmark in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

A high-angle photograph of a square-shaped tiled area, possibly a fountain or a decorative well, surrounded by lush green plants. The tiles are arranged in a geometric pattern of squares and rectangles, creating a sense of depth and perspective. The lighting is soft, highlighting the textures and colors of the tiles.

infinity

PURE SHAPE

The collection features balanced graphics without excessive contrasts, highlighting a strong architectural style. Infinity is inspired by a mix of the finest and most contemporary natural limestones, arrayed in six subtle contemporary color ranging from warm shades of beige to cooler shades of gray. It's a unique collection, ideal for designing in a free and versatile manner, also thanks to the impeccable technical performance of the best porcelain tiles.

COLORED BODY PORCELAIN TILE - Rectified Monocaliber

RECOMMENDED USE

Infinity is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Infinity is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Infinity tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.
