TREK

FOLLOW YOUR NATURE

 **LANDMARK**
CERAMICS

"Natural" is a gathering of porcelain tile collections that are inspired by different natural stones. Amazing surfaces for floors and walls that recall the shades of the natural material enhancing architecture and design with character and intense elegance. The excellent technical characteristics of Landmark porcelain tile guarantees optimal performance in every intended use both residential and commercial.

A new **landmark** in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

TREK

FOLLOW YOUR NATURE

Traditional architecture is the inspiration for a collection of porcelain stoneware with a slate effect, offering again the timeless beauty of the graphics based on the structure of cleft slate. Intense colors and natural surface finishes provide contemporary private and public spaces with the charm of past architectural styles and a new contemporary character.

LEARN MORE ABOUT

EVERYDAY EMOTIONS

The Trek collection endows spaces with great personality, covering floors and walls with the expressive strength of the stone. Natural elegance and harmonious design come together, strengthened by the possibility of combining the different colors in the collection together.

PROJECT

FLOOR DESIGN

Trek Vulcan, Silver - 12"x24"

WALL DESIGN

Trek Silver Wall B - 12"x24"

On the surfaces,
the slate effect is
surprisingly realistic
because of the graphic
details and soft structure.

RURAL MEMORIES

True Contemporary White -
8"x40"

SOPHISTICATED HOSPITALITY

The vibrant colors and materiality of Trek endow each place with elegance and charm, revealing the authentic soul of the rooms when covered. Spaces are given strong personality, where the visual strength of the mosaics and decorations is combined with the striking variation of tile patterns, giving an end result of great impact overall.

PROJECT

FLOOR DESIGN

Trek Vulcan - 12"x24"

WALL DESIGN

Trek Vulcan, Anthracite - 12"x24"

True Modern Grey - 8"x40"

Trek Vulcan Mosaic A - 12"x12"

The decorative nature and visual impact of slate are enhanced by elegant patterns for the tiles.

ENERGY EFFICIENT

Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

Sustainability

ECO-FRIENDLY AND SAFE

Sustainability

FLOOR HEAT FRIENDLY

Sustainability

WATER PROOF

Tile is very compact and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

Safety/Durability

FIRE PROOF

Tile doesn't burn, melt or give off toxic fumes when exposed to fire.

Safety/Durability

PREVENT BACTERIA GROWTH

Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

Health

SCRATCH RESISTANT

Tile is strong, hard and resistant to most type of scratches.

Safety/Durability

FADE RESISTANT

Tile is stable chromatically over time.

Safety/Durability

DOESN'T BEND

Tile is hard and compact.

Safety/Durability

ZERO ALLERGENES

Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

Health

ZERO FORMALDEHYDE

Formaldehyde is known to lead to an increased incidence of asthma. Tile has zero formaldehyde.

Health

VOC & PVC FREE

ZERO PVC ZERO VOC

Tile is completely PVC and VOC (volatile organic compound) free that means a healthier home for you.

Health

PET FRIENDLY

Tile is both dog and cat scratch proof.

Safety/Durability

RESISTANT TO FROST

Tile is snow and ice proof.

Safety/Durability

RESISTANT TO ACID

Safety/Durability

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

RECOMMENDED USE

Trek is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Trek is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Trek tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.

PHYSICAL PROPERTIES	TEST ASTM	NORTH AMERICAN STANDARD A137.1*	RESULTS
 Water absorption *	C373	≤ 0.5%	COMPLY WITH ANSI A137.1
 DCOF Average dynamic coefficient of friction **	ANSI A.326.3	As reported	IW - Interior, Wet
 Resistance to freeze/thaw cycling *	C1026	As reported	RESISTANT
 Warpage (edge)	C485	Warpage ± 0.4% or ± 0.05 in	COMPLY WITH ANSI A137.1
 Warpage (diagonal)	C485	Warpage ± 0.4% or ± 0.07 in	COMPLY WITH ANSI A137.1
 Wedging	C502	± 0.25% or ± 0.03 in	COMPLY WITH ANSI A137.1
 Chemical resistance	C650	As reported	UNAFFECTED
 Breaking strength	C648	250 lbf or greater	COMPLY WITH ANSI A137.1
 Thickness	C499	Range: 0.04 in	COMPLY WITH ANSI A137.1

* Average values referred to our production and related to the matt finish of the product.

** As far as values relating to the matt finish of the product and to tests carried out by certified external laboratories whose results are available upon request at Headoffice, we are willing to check the lot you are interested in purchasing.

- Be sure to use tiles belonging to the same caliber.
- Test results are available on request.
- Landmark tiles can be slippery when wet. We recommend to make sure that the surface is always dry.
- The information provided can be subject to change. Please refer to lcusa.com for the latest, most accurate and up-to-date information.
